Bradley J. Wilcox  
Assistant County Administrator

**TO:** Potential Bidders

**DATE:** November 17, 2016

**RE:** Questions and Responses 2 - RFB#128J-16: TRUCK ACCESSORIES

***\*\*NOTE: ADDITIONAL INFORMATION\*\****

The following information represents a bidder's question that was received by the County during the inquiry phase of RFB#128J-16 and not included in the Questions & Responses posted on November 15. All bidders intending to bid on this project are responsible for this additional information. Vendor questions are italicized, and are numbered followed by the corresponding response by the County in **bold** text

1. *Q: The County did not specify control boxes for the Speed-Tech lights. How do you plan on turning these lights on and off?*
- A. 17 pick up trucks for Jackson County come with 4 pre-installed switches. The lights will be wired to one of those switches. Bidders are requested to include in their cost everything needed from the light to that switch to make the light operational.**

**Speed-Tech lights for Calhoun County (8 each FKL36 & 7 each FKL47) are required to come with a controller. Both the FKL36 and FKL47 lights require Supreme II controllers, along with a 10' extension cable. The County will determine the location to be installed in each vehicle upon bid award.**

***\*\*This concludes the inquiry phase of RFB#128J-16\*\****

***Bids are due Tuesday, November 22, 2016; 3:00 pm (Local time)***

**LATE BIDS WILL NOT BE CONSIDERED**
